DASDEC II (Variant 2)

(Originator) has issued a (ALERT) for the following counties or areas: County, ST; County, ST; at HH:MM XM on MON, DD, YYYY Effective until HH:MM XM. Message from SENDERID (Message text [IPAWS Alerts Only]) Un message en Espanol sigue (Message in Spanish [Not every state uses a Spanish scroll])

(The Spanish Message is only on the default Character Generator and Kal does not read it)

A Civil Authority has issued a LOCAL AREA EMERGENCY for the following counties or areas: El Paso, TX; at 1:12 PM on JUL 8, 2019 Effective until 2:12 PM. Message from IPAWSCAP. This is a test of the El Paso Emergency Alert System. This test was conducted to provide information to the public in an actual emergency. If this had been an actual emergency, the tone you heard at the start of this message would have been followed by important news and information. This is only a test. This test is now concluded. Esta es una prueba del Sistema de Alerta de Emergencia de El Paso. Esta prueba se realizó para proporcionar información al público en una emergencia real. Si esto hubiera sido una emergencia real, el tono que escuchó al comienzo de este mensaje habría sido seguido por noticias e información importantes. Esto es solo una prueba. Esta prueba ahora está concluida. Un message en Espanol sigue. Una Autoridad Civil ha emitido una EMERGENCIA DE ÁREA LOCAL para los siguientes condados o áreas: El Paso, TX; a las 1:12 p.m. del 8 de julio de 2019 Vigente hasta las 2:12 p.m. Mensaje de IPAWSCAP.

A Date will show up on the end time of the alert if the alert ends on a different day

(You can also have a custom originator) (i.e. COMCAST, THE WDFA SYSTEM, WWAL, etc.)

Originators are in caps in some earlier DASDEC II Alerts and on scrolls.

NOTE FOR DASDEC II - Special Alerts that are not in the system will read as "... HAS ISSUED A Special Alert (Code EVT) FOR..." and will not have their own alert. Some DAS Systems will have newer alert codes but others will not

Virginia (Maryland and Missouri too) cities are noted as "Fairfax (city), VA;" and counties with cities named after the county are noted as "Fairfax (county), VA;"

For Alaska and Louisiana, there is no "Borough" or "Parish" in the alert text but there is "Census Area"

EASyPLUS NOTES

The font on the system, or some weird bug in the CG, causes it not to be able to display these special characters: () , !

When putting in anything with parenthesis, put a space where each parenthesis would be.

Independent cities are displayed as City Name city ST

The EASyPLUS CG crops the scroll to a 4:3 ratio on a 16:9 screen

The EASyPLUS uses 24-hour time and displays the seconds in the scroll as well, usually as :00.
