

VOICETEXT PHONEME LIST

Document compiled by themisaiahyouknow

Multiple people discovered most of these phonemes, I discovered a few myself but credit to those who discovered these phonemes

Notiable people who discovered some of the phonemes include

- GeuaxPJ
- SouthTexasElevatorsEAS
- easalert88
- ThunderBuddy01
- SPCSafetyHarbor
- me
- And others...

NATIONAL

BUF

CTP

CRP

DLH

FSD

GRB

IND

MQT

LSX

RAH (uses their own phoneme and not the IND phoneme)

Does the WFO say "in Region State" or no? (Central: As long as "central" is not in the portion of the state a county is in then TOP will say it other they won't)

AKQ - Says the region of the state for SE VA but not for EC VA

ALY - Yes

BOU - Central

BOX - Yes (it's "In Rhode Island" for any RI Counties)

BMX - Central

BTV - Yes

CHS - Yes

CLE - No

CRP - Yes

CTP - Yes

DLH - No

DTX - Yes

DVN - No

EWX - No

FFC - Yes

FGF - Yes

FGZ - Yes

FSD - Yes

FWD - Yes

GGW - Yes

GID - No

GRR - Yes

GSP - Yes

HGX - Yes

HFO - No

ICT - No (They say "The National Weather Service has issued a Severe Thunderstorm Warning for Reno County, Sedgwick County..." so don't add "in Wichita" part in the beginning of the alert)

ILX - No

ILM - Yes

ILN - No (they say the state if there is more than one county with the name i.e. "Fayette County Indiana")

IND - No (will do so for counties outside the region)

IWX - Yes/Central (for counties with "central" in their portion of the state, Paul will say "Indiana" instead of the portion of the state - "Elkhart County, Indiana")

JKL - No

MAF - Yes

MEG - Yes

MKX - Yes

MLB - Yes

MRX - No

LOT - Yes

LOX - Yes

LMK - Yes

LSX - Anything with Central in Missouri No, all NE MO and IL counties yes

OAX - Central

OHX - Yes

OKX - Central (no for CT)

PAH - Yes (no "region of", just "state")

PBZ - Yes

PHI - Yes

PSR - Yes

RAH - No

SEW - Yes

SHV - Yes

SGX - Yes

TOP - Central (They don't have a pause between the "Warning for" and the first county listed)

How does the WFO say "1 PM"

APX - 1 PM

BRO - 1 0 0 PM

BTX - 1 PM (they say 1:15 PM as 1, 15 PM)

CAR - 1 0 0 PM

CRP - 1 PM

CTP - 1 PM

EWX - 1 PM

FGF - 1 PM

FSD - 1 PM

GID - 1 PM

HGX - 1 PM

Report Severe Weather Scripts

AKQ - Please report Severe Weather by calling 7 5 7, 8 9 9, 2 4 1 5, posting to the National Weather Service Wakefield Facebook page, or using Twitter using at n w s Wakefield, V, A.

ALY - Please report hail size, damaging winds and reports of trees down to the National Weather Service by email at a l b dot Storm report at noaa dot gov, on Facebook at www.facebook.com/nwsalbany or twitter at nws Albany.

BTV - DOESN'T HAVE ONE

CHS - Report damage directly to the Charleston National Weather Service at 1, 8 8 8, 3 8 3, 2 0 2 4 when it is safe to do so.

CLE - DOESN'T HAVE ONE

CTP - DOESN'T HAVE ONE

DLH - DOESN'T HAVE ONE

DVN - DOESN'T HAVE ONE

EWX - DOESN'T HAVE ONE

FFC - If you see wind damage, hail or flooding, wait until the storm has passed, and then call the National Weather Service toll free at 1 8 6 6 7 6 3 4 4 6 6 or tweet us your report at NWSATLANTA.

FGF - DOESN'T HAVE ONE

FGZ - DOESN'T HAVE ONE

FSD - DOESN'T HAVE ONE

GGW - DOESN'T HAVE ONE

GID - DOESN'T HAVE ONE

GRR - DOESN'T HAVE ONE

GSP - Please report damaging Winds, hail, or flooding to the National Weather Service Greenville Spartanburg by calling toll free at 1, 800, 2 6 7, 8 1 0 1, by posting on our Facebook page, or via Twitter using hashtag n w s g s p. Your message should describe the event and the specific location where it occurred.

HGX - DOESN'T HAVE ONE

HFO - DOESN'T HAVE ONE

ICT - DOESN'T HAVE ONE

IND - DOESN'T HAVE ONE

ILN - To report Severe Weather, go to our website at [weather, dot g o v, slash, i l n](http://weather.gov/iln), and submit your report via social media when you can do so safely (IND Stations only for SVR - Anyone for TOR/FFW)

JKL - DOESN'T HAVE ONE

LOT - DOESN'T HAVE ONE

LSX - DOESN'T HAVE ONE

LMK - DOESN'T HAVE ONE

LWX - DOESN'T HAVE ONE

MAF - DOESN'T HAVE ONE

MKX - DOESN'T HAVE ONE

OAX - DOESN'T HAVE ONE

OKX - DOESN'T HAVE ONE

PAH - DOESN'T HAVE ONE

PBZ - Please Report Severe Weather by calling 4 1 2, 2 6 2, 1 9 8 8, posting to the National Weather Service Pittsburgh Facebook Page, or using twitter at N W S Pittsburgh.

PHI - Doesn't Have One, but thanks to COVID, it had this, it goes before the Precautionary Preparedness lines: Protecting yourself from immediate threats to life and property shall take priority. Whenever possible, as long as it does not cause greater harm, all COVID-19 protective action guidance should be followed.

SHV - DOESN'T HAVE ONE

TOP - DOESN'T HAVE ONE

Does the WFO recap the alert (i.e. "Repeating, a Severe Thunderstorm Warning has been issued until 10 PM for the following counties)?

AKQ - No

ALY - Yes

APX - Yes (including counties outside the station's coverage zone)

BOX - No

BMX - No

BTV - No

CHS - No

CLE - Yes

CRP - No

CTP - Yes

DLH - Yes (The time in the alert recap will be Oh 5, 15 PM instead of 5:15 PM)

DTX - Yes

DVN - No

EWX - No

FFC - No

FGF - No

FGZ - Yes

FSD - Yes

FWD - No

GGW - idk, prolly not

GID - Yes (there is a pause after the expiration time before the following counties)

GRR - No

GSP - Yes

HGX - No

HFO - No

ICT - No (No CTA)

ILN - No (No CTA)

ILM - No

ILX - No (No CTA)

IND - Yes (including counties not served by the station)

IWX - Yes

JKL - Yes (No CTA, just goes to the repeating)

copy NWS text into vt-editor

replace * with nothing

replace ... with ,

replace , with , <vtml_pause time="200"/>

replace text according to line 1 - 3 of this file EX: thunderstorm

replace timezone with proper pronunciation EX: replace CDT with Central Daylight Time

correct times EX: 526 PM = 5:26 PM EX: 700 PM = 7 PM

copy text from vt-editor

paste text into chrome url bar

copy text from chrome url bar

paste text back into vt-editor

DLH notes

for example, "these are the 9 am observations for friday, may 22nd." is how the observation introduction should sound

paul doesn't pause between the hour and the minute

the individual marine zones would have to be announced

and there's no "central daylight time" after the ending time in the alert
